March 31

Dance Concert

April 8

Ester Hat Parade

Last day of Term 1.

## It Takes A Village To Raise A Child

Our school has evolved considerably over the last five years. We have doubled our student numbers, developed our curriculum and expanded the range of activities students can engage in during, and outside of, school hours. This evolution has only been possible due to the dedication of the people in our school community.

Our staff value the work they do and are determined to give students the best opportunities to learn and grow emotionally. Working alongside school staff are a team of parents who spend many hours each year volunteering their time to improve experiences for students. They are our Ethics Teachers, Uniform Shop operators, P&C representatives, Canteen helpers, fundraisers, activity coordinators, technical advisers, cake makers, excursion helpers, class representatives and those who simply put their hand up to help whenever we ask. Without their contribution RLPS would not be able to deliver the opportunities that students enjoy every day.

Over the years I have often wondered what makes some people step up and prioritise the school community in this way. To put the effort in and sacrifice personal time so that others benefit. It is not about time availability, because the people I see giving their time have plenty to do in their own lives. Their volunteer work is done on top of busy family and work schedules. It is not about a need for recognition, or a desire to impress others, as it is often quiet work, with unseen effort and hidden impact. As well as being kind and generous individuals, those who volunteer seem to have a strong sense of purpose and connection to the school. They know their efforts can positively impact students and this drives them to apply their strengths to school activities. They also have a strong sense of being part of a kind and giving community. Over the years they build deep connections with the school and other parents and this drives them to step up and be part of the team that provides the best opportunity to students.

We thank our volunteers for helping make RLPS the school it is today, especially those who have done so for many years. COVID has limited the number of opportunities for parents to engage with the school and make connections with other parents. As we move into a period of less restriction, and more community events, we hope to see a more parents feeling part of the community and applying their strengths to school activities. We know this involvement will bring its own personal rewards and make a difference to all students in the school.

Dan Sprange  
**Principal**

## Reading Success

Each year students in Year 1 complete a phonics screening assessment. This assessment tests their ability to decode and read sounds. Ms Dolan and the K-2 have worked hard to implement evidence informed pedagogy and this has resulted in 94% of students achieving the required reading benchmark in the screening assessment. This figure is significantly higher than the state average (56%) and the average for the most advantaged quartile of schools (76%). Well done students, teachers and parents.

[NSW phonics check: Almost half of year 1 students do not read as well as they should \(smh.com.au\)](https://www.smh.com.au/nsw-phonics-check-almost-half-of-year-1-students-do-not-read-as-well-as-they-should-20221201)

## Making A Difference

COVID and the wet weather has made life very difficult for vulnerable people in our community. We don't always see the positive impact of our actions but this from the Wayside Chapel newsletter gives some powerful insight... [This week, we are sharing in the joy of our centres being fully open again after a period of scaled back services during the Omicron peak. The timing is perfect. Every morning we open the doors and people pour in, soaked to the bone. Right now, there is a tangible synchronicity between deep need and caring response. People who enter shivering and shaking are met lovingly and then carefully presented with warm fluffy towels, dry changes of fresh clothes and luxury travel soaps, that many of you have sent in. I tried to sit down to say hello to someone in our cafe who was nursing a hot cup of tea after a warm shower but she waved me off, "I'm not ready for you yet!" She had a date with that cup, and no one was going to interrupt it.] Thank you to everyone who has contributed to this initiative, especially the students who made it happen.

## RLPS Ski Team

This year students from RLPS will be competing in the interschool skiing competition being held at Perisher. If we have six or more students we can form a RLPS team. If we have less than six students each student will compete as an individual for RLPS. If you are interested in joining the three students who have already registered their interest please contact the school so we can put you in touch with the coordinator.

## Did Your Child Miss Their Photo?

We had a larger than usual number of students away on photo day. Given this an additional day of photo taking has been arranged for Monday 28 March. If your child missed their individual photo please ensure they are ready for their photo on this day. Unfortunately we are not able to take class photos again.

## DID YOU KNOW?

You can stop in a NO PARKING zone for a maximum of 2 mins. You must remain inside or within 3m of your vehicle. Penalties apply.

If there are no spaces available, you'll need to drive away and park elsewhere or return when there is space available.

## A Message From Canada Bay Council

Signs like these are displayed within your school zone. Make sure you read the signs carefully before you move away from your vehicle as some 'No Parking' signs may have time restrictions associated with them.

Council Rangers and NSW Police actively patrol school zones, especially during drop-off and pick-up time periods.

Make the right choice and keep our students safe.

## Zone Swimming

RLPS students continue to demonstrate outstanding speed in the pool. At the Zone Carnival this year RLPS came second overall against much bigger schools. On a per student basis RLPS was easily the most successful school. The full results are provided below. Well done all students and the team at Drummoyne Swimming Club who seem to be very good at producing fast swimmers who love the sport.

## Absence Notifications

We understand mornings can be busy and the wet weather has made it difficult to get to school for some families. If your child is late for school they need to attend the office before going to class so their late arrival can be registered. If your child goes straight to class there is a chance they will already be marked as absent. If they do not attend the office the teacher has to spend learning time updating the record. For this reason the office enters late times and activates the absence messages to parents. If your child is absent for any reasons please advise the school using one of the following three options:

1. Email the school [russelllea-p.school@det.nsw.edu.au](mailto:russelllea-p.school@det.nsw.edu.au)
2. Phone 9713 8267
3. Skoolbag – absence notification

Please do not message the teacher directly or use class applications such as SeeSaw.

### **Ferragosto is returning to Five Dock in 2022!**

Sydney's iconic Italian festival, Ferragosto, is coming back to Five Dock on Sunday, 21 August.

The best of Italian food, culture, and entertainment will be on display with everything you know and love about Ferragosto returning to Great North Road.

As we celebrate its 25th year, the festival will return to its traditional format as an outdoor public event that will be planned and produced in line with COVID safe regulations.

You can look forward to our regular program of performances across a series of stages, a kitchen stage for demonstrations, a range of stalls, funfair, and children's activities.

### **Dogs At School**

Many of our families own pet dogs. We enjoy seeing them walk with students to and from school and know how friendly they are. Unfortunately dogs are not permitted onto school grounds even if they are small and unlikely to intimidate others. Some members of our school community, including staff and students, are not able to be around dogs. Although the risk is low there is always a chance a dog may react badly to large crowds or upset a member of the school community. For these reasons please do not bring your dog onto school grounds.

# FREE COME TRY FOOTBALL DAY

An AJFC hosted morning of football fun for kids aged 5 to 7 who wish to try out the game in a friendly atmosphere.

There'll be lots of introduction to football sessions with qualified coaches, games and loads of outdoor fun for the kids and something for the parents too...

**AJFC registered players welcome! Bring a friend!!!**

 Sunday 13th March

 8:30am-11:30am

 Lysaght Park, Bibby Street, Chiswick
